Independent Auditor's Report

Board of Supervisors
Township of Kilbuck

We have audited the Cash Basis Balance Sheet, Statement of Revenues and Expenditures, Debt Statement, and Statements of Capital Expenditures and Employee Compensation (Schedules) included in the Annual Audit and Financial Report of the Township of Kilbuck (Township), Pennsylvania, for the year ended December 31, 2010, as described in the instructions provided by the Pennsylvania Department of Community and Economic Development (DCED). The Schedules are the responsibility of the Township's management. Our responsibility is to express an opinion on the Schedules based on our audit.

Except as described in the fifth paragraph, we conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Schedules are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the Schedules. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial presentation of the Schedules. We believe that our audit provides a reasonable basis for our opinion.

The Township has prepared these Schedules in conformity with the accounting practices and procedures prescribed or permitted by the DCED, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. These requirements permit the Schedules to be prepared on the cash basis of accounting without financial statement disclosures, without government-wide financial statements, without Management's Discussion and Analysis, and without budgetary comparisons, as required by accounting principles generally accepted in the United States of America. The effects on the Schedules of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

In our opinion, because of the effects of the matters discussed in the preceding paragraph, the Schedules referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Township as of December 31, 2010, and the results of its operations for the year then ended.

The Township's earned income taxes (stated at \$97,561 for the year ended December 31, 2010) are collected by an outside service agency. We were unable to obtain audited financial statements of the outside service supporting the amounts collected, as the planned independent audits of the outside service have not been completed. Accordingly, we were unable to satisfy ourselves as to whether the Township's earned income taxes were remitted to the Township, and whether actual remittances to the Township were made on a timely basis.

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had we been able to examine the evidence regarding the Borough's earned income tax, the Schedules referred to above present fairly, in all material respects, the cash basis financial position of the Township as of December 31, 2010, and the results of its operations for the year then ended on the basis of accounting described in the third paragraph above.

Our audit was conducted for the purpose of forming an opinion on the Schedules of the Township. The pension information on pages 18-23 is presented for purposes of additional analysis and is not a required part of the Schedules, but is supplementary information as required by the Governmental Accounting Standards Board. The supplementary information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the Schedules. The supplementary information has been subjected to the auditing procedures applied in the audit of the Schedules and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the Schedules or to the Schedules themselves and other additional procedures, in accordance with auditing standards. The supplementary information, in our opinion, is fairly stated in all material respects in relation to the Schedules taken as a whole.

This report is intended solely for the information and use of management, the Board of Supervisors, others within the Township, and for filing with the various local and state departments or offices and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

TOWNSHIP OF KILBUCK
POLICE AND NON-UNIFORMED
PENSION PLANS

PENSION DISCLOSURES

YEAR ENDED DECEMBER 31, 2010

1. PLAN DESCRIPTION

The Township of Kilbuck (Township), Pennsylvania, sponsors two pension plans (Plans), the Police Pension Plan (Police Plan) and the Non-Uniformed Pension Plan (Non-Uniformed Plan).

Police Plan

The Police Plan is a single employer defined benefit contributory plan available to all permanent members of the Township's police department upon hire. The Police Plan was established under the Second Class Township Code and various Township ordinances. All pre-Act 600 participants are eligible for retirement benefits provided they have completed 16 years of aggregate service as a full-time Township employee and have attained the age of 55. Post-Act 600 hires are eligible provided they have completed 25 years of aggregate service and have attained the age of 55. Pre-Act 600 participants of the Police Plan are entitled to a vested deferred benefit after five years of service. Post-Act 600 participants of the Police Plan are entitled to a vested deferred benefit after 12 years of service. The monthly Police Plan benefit for pre-Act 600 participants is based on 70% of the participant's average compensation earned during the final 12 months of employment or 85% if payments commence at age 59 or after. The monthly Police Plan benefit for post-Act 600 is based on 50% of the participant's final 60 months average compensation. "Average compensation" is the salary averaged over the final 60-month period prior to retirement or other severance.

Per the latest available actuarial information, January 1, 2009, employee membership data related to the Police Plan was as follows:

Total	3

There are no longer any active participants in the Police Plan, as the Township disbanded its police force during 2007.

Non-Uniformed Plan

The Non-Uniformed Plan is a single employer defined contribution plan available to all full-time, non-uniformed employees of the Township. The Non-Uniformed Plan was established under the Second Class Township Code and various Township ordinances. The Non-Uniformed Plan benefits become 100% vested after completion of three years of service. Eligibility for the normal retirement benefit is attained at age 65. The monthly Non-Uniformed Plan benefit is determined by the monies accumulated in the individual employee accounts at retirement.

As of December 31, 2010, there were no longer any participants in the Non-Uniformed Plan, as the last retiree receiving benefits withdrew his funds during 2008. In addition, there are no active employees in the Non-Uniformed Plan as of December 31, 2010.

2. FUNDING POLICY AND CONTRIBUTIONS

The Township's funding policy is to comply with Pennsylvania Act 205 of 1984 (Act 205). Under Act 205, the Township is to contribute the sum of each Plan's normal cost, administrative expenses, and amortization of the unfunded actuarial accrued liability (if any), less the amount contributed by employees and the Commonwealth

of Pennsylvania. The normal cost and amortization of unfunded actuarial accrued liability are determined by an actuary, using guidelines established in Act 205.

There was no Minimum Municipal Obligation (MMO) for the Police Plan in 2010. There was no MMO for the Non-Uniformed Plan in 2010.

The Township has yet to contribute the remainder of its MMO for the year ended December 31, 2007. This amount approximates \$19,000.

3. LOCATION OF HISTORICAL TREND DATA

Historical trend information related to each of the Plans is presented as supplementary information. This data provides information about the progress made by each Plan in accumulating sufficient assets to pay benefits when due.

4. ACTUARIAL VALUATION

Certain pension information and calculations are based upon an actuarial valuation performed as of January 1, 2009.
