RE: Closure of Camp Horne Rd between Eicher Rd and State Route 65

Dear Municipal Representative:

Allegheny County will be replacing a section of failed retaining wall on Camp Horne Road near the Center Avenue Bridge. This will result in the closure of Camp Horne Road to through traffic between State Route 65 and Eicher Road for a duration of approximately three months. This closure is proposed to start at the beginning of April this year.

A location map of the repair location is attached. We are currently developing a detour route for this project. As soon as we have additional information on this project, we will send out an additional notice. We apologize for any inconvenience this may cause.

If you have any questions please feel free to contact Ron Sander, P.E., Project Manager, at 412 350-5585.

Sincerely,

Stephen G. Shanley, P.E.
Director
